## ***WELCOME***

RME International is a privately held company that is owned and operated in partnership. We are a wholesaler, exporter, and retailer of new and refurbished Medical Equipment. Located in Los Angeles, California, we engage in sales, service and assistance for your medical equipment needs.

## ***WHAT WE DO***

RME International is a competitive and global source of premier new and reconditioned medical equipment for private practice and institutions throughout the world. Our goal is to provide doctors, hospitals and clinics with affordable and reliable medical equipment and disposables. Our specialty has been primarily in radiology as in ultrasound equipment, x-ray machines, and nuclear medicine. Our vast network and expertise has enabled us to supply medical professionals in six continents of the world. We provide all logistical needs required; palletizing, shipping and documentation for port of entry.

## ***CONTACT US***

Our knowledgeable staff is available from 8:30 A.M. to 5:00 P.M. PT, Monday through Friday, to answer questions, provide additional information, or locate hard to find items. We pride ourselves on our prompt response to e-mail inquiries and normally ship orders within 24 hours. Do not hesitate to contact us for all your medical needs or if you just need information about what is available.
